PROFESSIONAL SUMMARY

Creative and user-centred UI/UX Designer with a strong foundation in computer science and expertise in graphic design, animation, and front-end development. Proven ability to deliver functional and innovative design solutions through tools like Figma, Photoshop, and Illustrator, focusing on enhancing user experiences. Skilled in translating complex ideas into intuitive interfaces and proficient in developing responsive designs. A passionate design enthusiast with experience leading notable projects, such as RobotNexus and MicroMaze, demonstrating leadership in creating engaging digital experiences. Dedicated to blending creativity with functionality to craft impactful designs that resonate with users and drive results.

SKILLS

- UI/UX design - Figma, Axure
- Front-end development (JavaScript, React, Next.js, Flutter, HTML, CSS)
- Back-end development (Java, SpringBoot, Express.js, Node.js, PHP)
